## ABOUT ME

I'm a software-developer from Reykjavik, Iceland. Since March 2016 I've had the opportunity to work for various startups in Berlin, solving Problems in Healthcare and Media. I finished my undergraduate degree in digital art from the University of the Arts in Iceland. In my spare time I compose music using code.

## WORKING EXPERIENCE

### WaveVideo

I worked as freelancer on iOS project from June to Oct 2019  
#react-native #clojurescript #re-frame #ios #sentry #firebase #xcode
